

# Features & Finishes

## EXTERIOR FINISHES

- Inspiring designs reflecting elements from French Provincial & Traditional architecture, finished with Stone & genuine clay brick (precast detailing such as: arches, keystones, banding & sills), Stucco. Stucco areas receive decorative "maintenance free" stucco trim & frieze board. Elevations are complemented with painted/prefinished and/or stucco decorative exterior columns & metal/vinyl railing, as per front elevation.
- Architecturally controlled colour schemes from Rosehaven's selections for the purpose of providing a pleasing streetscape.
- Brick soldier coursing with steel lintels above all second floor windows, as per elevation.
- Pre-finished maintenance-free aluminum soffits, fascia, eavestrough, downspouts and ceilings of covered porches.
- Self-sealing shingled roof. (Limited lifetime Manufacturer's warranty by BP, shingle type is Mystique or equivalent).
- "Porcelain" house number on front elevation, location determined by Rosehaven.
- Fully sodded front, rear and side yards, (side yards: where applicable and where continued growth will permit, otherwise gravel will be installed at Rosehaven's sole discretion).
- Precast patio slab/tiles from front door to driveway and patio tiles will be installed at rear patio door. (Rosehaven determines number of tiles).
- Two coat paved driveway, at no additional cost.

## EXTERIOR WINDOWS AND DOORS

- Maintenance free vinyl Casement windows with Low E glass, Argon gas and warm edge spacers throughout, basement/lower level windows are vinyl sliding windows with Low E glass & warm edge spacers only. All operating windows have screens. All windows are Energy Star® qualified.
- Front elevation windows to have decorative grills, as per elevation.
- "Transom height" windows to all ground floor side and rear windows, at the discretion of Rosehaven Homes.
- Eight foot (8'0") tall painted steel insulated front entry door(s) with a glass panel insert, and "Nickel" finish grip set with deadbolt lock, as per plan/elevation. Where a single front entry door is shown (with or without a sidelight) the door will be thirty-six inches (36") wide, as per plan/elevation.
- Quality painted sectional roll up Insulated garage doors, equipped with high-quality, heavy duty springs and lifelong rust resistant door hardware, and window-lites, as per elevation.
- Steel insulated interior garage access door (where grade permits, less than 2 risers into house) complete with safety door closure.
- Six foot (6'0") wide vinyl sliding patio door with transom window above at rear of home, on the ground floor only, as per plan.

## INTERIOR FEATURES

- Nine Foot (9'0") high Smooth ceilings throughout the ground floor. (Some ceilings areas may be lower due to mechanical, structural or decorative elements including dropped ceiling areas).
- Eight foot (8'0") high sprayed stippled ceilings with a 3" smooth border to 2nd floor ceilings.
- Coffered ceilings, trimmed half walls and trimmed ledges, as per plan.
- Elegant Raised 9'0" Smooth Coffered Ceilings in master bedrooms, as indicated on plan.
- Smooth finish 7'0" tall "Carrara" interior passage & closet doors complete with "Nickel" finish hinges and lever handles. Privacy door locks on all bathrooms.
- 2 ¾" Colonial style casing on all window frames, archways & doors & 4" Colonial style baseboards throughout all finished areas.
- Oak Staircase, natural finish in finished areas only. (Veneer stringers & risers)
- Oak 2 ¾" grooved handrail with newel posts & oak nosing, with choice of 1 ¾" oak pickets or straight black metal pickets, all oak finished natural, to finished areas as per plan.
- Single sided gas fireplace with natural oak finish or white semi-gloss cabinet, as per plan.
- Interior walls to be painted an "off white" colour throughout, including the 3" smooth border on ceilings. All interior walls to be finished in a washable acrylic paint for easy maintenance.
- Interior trim & doors to be painted "cool white", to all finished areas.
- Wire shelving to all closets including linen, and walk in pantries, as per plan.
- Basement/lower level cold cellar, complete with weather-stripped steel insulated door, vent, and an electrical light, as per plan.

## FLOORING FEATURES

- 13" x 13" imported ceramic floor tile in front foyer, kitchen, breakfast room, all bathrooms, and finished laundry rooms, as per plan.
- 4" X ¾" wide plank pre-finished Engineered Natural Oak flooring throughout the ground floor and stair landings. (excluding where tile is laid)
- 30 oz. Berber carpet with ¼" underpad OR 40 oz. Nylon carpet with ½" chip foam underpad to all other non-tiled/hardwood finished areas, as per plan. Purchaser to have choice of two colour selections as per Rosehaven's selections.
- Metal edge is installed where carpet abuts ceramic tile and where ceramic tile abuts hardwood flooring.

## KITCHEN FEATURES

- Quality cabinetry with extended upper kitchen cabinets adorned with crown moulding (adding an additional 33% more upper storage), base cabinetry includes one bank of drawers, from Rosehaven's standard samples on display at the Décor Studio, which include a choice of Maple or Oak veneer doors and laminate doors.
- Full depth fridge upper with crown moulding & fridge gables as required, as per plan.
- Granite kitchen counter top with mitre edge. Purchaser will have choice from Rosehaven's standard samples.
- Stainless steel finish, double bowl, undermount kitchen sink

## CONVENIENCE, SAFETY AND SECURITY

- Pre-wired for television: four (4) cable TV rough-ins (RG-6) and four (4) telephone rough-in locations (Cat-5e) all home run to one location in the basement/lower level. Both cable & telephone are wired in family room or great room & 3 principal bedrooms, where study is shown one bedroom will be eliminated and will be installed in the study, whichever is applicable at Rosehaven's discretion.
- Rough-in central vacuum system with all pipes dropped to garage, for future easy finishing.
- All air ducts to be cleaned prior to closing.
- Electric door chime installed.
- Monitored security system available through Rosehaven's supplier. Must be ordered by purchaser, see sales representative for details.
- Carbon monoxide detector(s), hard wired, per ESA Standards/Building Code.
- Interconnected smoke detectors, per ESA Standards/Building Code.
- One garage electrical ceiling outlet per garage door, for future garage door opener(s).

## ENERGY EFFICIENT FEATURES

- Rosehaven Homes introduces "H.E.R.S." Home Energy Rating System to Dreamfields in Bradford. All of our designs have been reviewed and assessed by a third-party Certified Home Energy Rating System (H.E.R.S.) Rater. Each home will be built to exceed the current Ontario Building Code Requirements. The Certified H.E.R.S. Rater initially determines the "projected rating" of each Rosehaven Home prior to construction, by reviewing our energy features such as insulation, windows, heating & cooling system, water heating in addition to our standard best building practices. Once the house is complete and just prior to closing the Certified H.E.R.S. Rater will return to the home to verify the energy features installed and also determines the homes air tightness after which the "confirmed rating" of the home is established. On the H.E.R.S. Index the lower the score the better. A Certificate is issue for each Rosehaven Home which reflects the H.E.R.S. rating compared to the Ontario Building Code.
- High-Efficiency, Forced-Air Gas furnace with E.C.M. blower motor, complete with electronic ignition & power vented to exterior. All ducting is sized for future air conditioning.
- All homes are equipped with a high efficiency HRV - Heat Recovery Ventilator (not ducted, exhaust only) which allows fresh filtered air to come into the home, through the heat exchange core, this tempered fresh air is distributed throughout the home through the ductwork, the exhaust ducts collect the stale air and draws it back to the heat exchanger at the same rate as fresh air comes in, after giving up its heat to the incoming air the exhaust air is forced outdoors.
- All heating/cooling supply transverse joints, branch take-offs, branch supply joints and manufactured beaded joints on round perimeter pipes located on all floors will be sealed.
- The high efficiency Hot water tank is power vented and is on a rental basis.
- Automatic set back Thermostat centrally located on the ground floor.
- All homes are equipped with a "Power pipe heat exchanger". A heat recovery system which provides energy savings for heating your homes hot water. Drain pipe(s) in the basement/lower level will receive the "drain water heat recovery system" this will be installed to a drain that services a shower. The drains location is solely determined by Rosehaven.
- Power humidifier, mounted to the furnace.
- All finished bathrooms & laundry room include a high-performance exhaust fan, Energy Star® rated with a low sones (sound rating) vented to the exterior.

## ELECTRICAL, PLUMBING AND GAS

- Black Aluminum Entry Coach Lamps at all exterior doors and garage doors, location and number determined by Rosehaven Homes. (Exterior doors include patio, side & rear French doors)
- Four (4) exterior electrical outlets: Two (2) located in garage, one waterproof at rear of house and one waterproof outlet at front of house.
- Future electric vehicle charging station consisting of a rough in for both a conduit and electrical box in garage, location determined by Rosehaven Homes.
- Self-sealing air tight plastic electrical outlet boxes to all exterior walls & to the second floor ceiling light fixtures.
- 200 AMP Electrical service complete with circuit breaker panel and copper wiring throughout.
- Décor white switches and plugs throughout. Switches installed approx. 42" above the floor. (Except bathrooms which may be at a standard height, Rosehaven's discretion)
- One recessed L.E.D. pot light over fireplace, (Standard fireplace only) as per plan. (Where a three-sided fireplace is indicated on plan only one pot light will be installed and Rosehaven determines the location)

- Interior ceiling mounted light fixtures throughout all finished halls, all bedrooms, studies & laundry rooms. (Except family/great room & living room will receive a switched wall outlet)
- Modern hanging chandelier to hall and one to kitchen breakfast area and complementing ceiling mount fixture to kitchen work area. (Hall chandelier will either be at open to above area in foyer or over stairs, location determined by Rosehaven)
- Elegant strip lighting with dropped glass shade in all bathrooms & powder room, length of lighting determined by Rosehaven.
- All lighting as outlined above in items 81 to 83 are from Rosehaven's "Silver" Collection. See sales rep. for more details.
- Capped ceiling light outlet with switch provided for future dining room light fixture.
- Heavy-duty electrical outlet and outside vent for future dryer in laundry room.
- Ground fault interrupter protection in all bathrooms and powder room.
- Electrical outlet with integrated USB port in kitchen & master bedroom.
- Two hose bibs will be installed to each home, one in the garage and one at the rear of the home, location will be determined by Rosehaven Homes.
- Innovative thermoplastic plumbing supply lines throughout. Advantages: less copper in water, reduced knocking, less condensation.
- Second floor laundry rooms only, which are standard to a Rosehaven design, will receive a floor drain & a raised threshold in the laundry room.
- Drain and water connections featuring hot and cold water shut off valves and an electrical outlet for future automatic washer.
- Finished laundry rooms feature the shut off valves and drain connection installed in a convenient recessed wall box located above future appliances.
- Shut off valves to all bathroom sinks & toilets.
- Rough-in drains for future 3-piece bathroom in basement/lower level, location as per plan.
- Bar-b-que Gas line to rear of home, location determined by Rosehaven.

## CONSTRUCTION

- Structurally sound 2" x 6" exterior wall, wood framed construction or to O.B.C. specifications.
- Engineered floor joist system or equivalent to O.B.C.
- ¾" Tongue and groove sub-flooring throughout.
- "Tyvek type" air barrier installation on basement/lower level walls for improved humidity control. (excluding cold room)
- Steel beam construction in basement/lower level, as per plan.
- Poured concrete basement/lower level walls with drainage membrane & heavy-duty damp proofing.
- Insulation to walls, attic, ceiling garage (where required) overhangs and basement/lower level comply with the O.B.C. standards.
- Sprayed foam insulation to garage ceilings & overhangs with livable areas above.
- Entire garage to be drywalled, taped & prime painted, including ceiling, excluding exposed poured/block concrete.
- Where decks are required at the rear patio door due to grade conditions the following features are standard and included in any premium: A pressure treated wood deck (6' x 8' or equiv.) with stairs to grade, and 30"x 24" (approx.) vinyl basement/lower level windows with Low E glass, argon gas & warm edge spacers, in the rear basement/lower level.
- Where "Look Out" basement/lower level conditions are applicable the following features are standard and included in any premium: off the ground floor rear patio door, a pressure treated wood deck (6' x 8' or equiv.) with stairs to grade, and oversized vinyl casement windows with Low E glass, argon gas & warm edge spacers, in the rear basement/lower level.
- Where walkout basement/lower level conditions are applicable the following features are standard and included in any premium: basement/lower level vinyl sliding patio door with Low E glass, argon gas and warm edge spacers, and oversized vinyl casement windows with Low E glass, argon gas and warm edge spacers, an additional exterior light, and electrical outlet. (additional brick, framing, insulation) Off of the ground floor rear patio a pressure treated wood balcony (6' x 8' or equivalent).

## ROSEHAVEN HOMES DÉCOR STUDIO

- All Interior selections will be made at the Rosehaven Homes Décor Studio located in Oakville, from Rosehaven's standard samples, during a private appointment with the Rosehaven's Décor Consultant. At this time, you will also have the opportunity to purchase and incorporate upgraded finishing touches to your new Rosehaven Home.
