WE LOVE YOU CONNIE FOUNDATION

A bright star was lost in the Guglietti Family when daughter Connie succumbed to a brain stem tumor called D.I.P.G. in 2016. With much love and in her honour, the We Love You Connie Foundation was established in 2017 to take action in making a healthier future for children with brain cancers. Important new research and clinical trials are now receiving funding, and 100% of every dollar donated will go towards improving children's health.

Principals of Rosehaven Homes have happily committed \$3 million to We Love You Connie Foundation.

There has been tremendous support from the community as well. Every Rosehaven homebuyer is given four purchaser surveys, and for each survey completed by them, Rosehaven will contribute a further \$25.00 to support the Foundation's efforts.

The Guglietti Family appreciates all donations that have been sent in Connie's honour to the We Love You Connie Foundation and thank the community in joining in on making the future of our children's lives healthier.

OVER \$4 MILLION GIVEN TO LEADING HOSPITALS FOR IMPROVED CARE, MOST PROMISING RESEARCH, AND THE FUTURE CURE OF DIPG.

For every survey completed by our homeowners, a \$25 donation is made to the We Love You Connie Foundation in support of research into DIPG pediatric brain cancer. Thank you to those who took the time to complete our survey.

Here is what has been donated to the WeLoveYouConnieFoundation on behalf of every completed homeowner survey:

1st Quarter - \$750 2nd Quarter = \$750 3rd Quarter - \$350 4th Quarter - \$375
Total for 2021 - \$2,225
