OUR *Passion* YOUR *Home*

Our passion extends to the well-being of our staff, our homeowners and the general public. In light of recent events, we would like to stress the importance of everyone playing their part in helping flatten the curve. In times of uncertainty, we must rely each other - family, friends, citizens and partners. During this period of social distancing, self-isolation, and in some cases, quarantine, Rosehaven Homes wishes the best in health and safety to you and your family. And to those still at work providing essential goods and services, we express the utmost gratitude to your contribution in keeping our world around us afloat.
